## CLEAN AND FRESH LOOKING FURNITURE EVERY DAY

**RESIST Performance Fabrics** combines high performance fibers with the exclusive encapsulating protection of its stain and moisture repellent finish, achieving a high quality product perfect for easy and quick cleaning, extending its durability and life, without altering its color or softness touch.

Thanks to its encapsulating protective barrier, spills are kept above the fabric preventing liquids and stains from permeating into the cushion. Its ease of cleaning allows you to fully rely on its protection, and its fluor-carbon free finish allows you to enjoy its benefits without harming your health.

All of our fabrics meet ASTM's safety and performance standards.

## HIGH PERFORMANCE FABRICS MADE TO RESIST DAILY LIFE'S ACCIDENTS

**RESIST Performance Fabrics** are created with 100% polyester fibers in a wide variety of textures, patterns and colors, to meet your home's needs without neglecting its design.

## EXCLUSIVE DESIGNS WITH INTELLIGENT PROTECTION

Developed after years of research and testing, **RESIST Performance Fabrics'** technology unites the high performance of its fabrics with an anti-stain and spill protective barrier to offer your home the protection it needs, along with the latest decoration trends and designs.

## AVANT-GARDE DESIGNS AND STYLES WITH HIGH QUALITY RESISTANCE TO STAINS AND SPILLS, AT THE BEST MARKET PRICE

Do not settle for choosing between quality or protection, **RESIST Performance Fabrics** brings together the best quality, protection and design in a single product at the best price. Its Fluor-carbon free technology offers the protection your home needs aligned to ASTM safety and performance standards.
